SINDHANUR (RAICHUR DIST), DHNS

As many as 26 students fell sick after consuming food that was served at the Dr B R Ambedkar Pre-Matriculation School for Girls in Sindhanur on Saturday morning. When

the food was later inspected, pieces of wire and soap were found in it.

Soon after they ate their breakfast, five girls exhibited signs of nausea and started to vomit, while the others started complaining of dizziness, burning sensation in their chest and stomach ache. The

school staff wasted no time in admitting all the 26 girls who took ill to the Woman and Child Hospital in the nearby PWD Complex.

Local MLA Hampanagouda Badarli, MLC Basanagouda Badarli, former minister Venkatrao Nadagowda, BJP functionary K Kariyappa and Mahila Congress secretary Nagaveni S Patil arrived at the hospital and enquired into the condition of the girls.

Hampanagouda spoke to the doctors at the hospital and asked them to submit a report detailing the reasons for the onset of illness.

"There has already been a discussion on mismanagement and lapses in vigilance at government hostels in the Legislative Council. Social Welfare Minister K H Muniyappa has given his nod for conducting monthly medical check-ups at these institutions. It is imperative that officials at the ward and taluk levels ensure the implementation of these directives. There can be no compromise in the quality of food served to the children. They must be served healthy and nutritious food," said Basanagouda Badarli.
